Future Efforts

What, if any, aspects of the Showcase would you like to see changed?

- That each business from Region 2000 has the opportunity to meet and talk with NOVA businesses
- The format is great!!!
- Get all of the bugs out of the "PowerPoint" presentation before the dry run session
- Great event, nothing to change!!!
- Better matches with companies
- Potentially shorten or "police" the time used for Region 2000 companies presentations
- Nothing, very good!!!
- More companies to attend

What, if any, suggestions do you have for future Showcase events?

- Get info out to all participants two weeks before the Showcase
- List of attendees to be available sooner
- More room for samples

Additional Comments:

- Northrop Grumman was excellent and very prepared and knowledgeable. I received positive feedback on how efficient and informative the showcase was.
- Over recruit NOVA companies to ensure a 2-1 match of NOVA to Region 2000
- Different format. I will suggest this format to others for future events.
- Awesome event.
- Thanks.
- Lunch was excellent, Excellent Showcase
- This was an excellent event, one of the best networking forums that I have been to!!!
