**Future Events:**

**What, if any, aspects of the Showcase would you like to see changed?**

- None
- Nothing!
- I would have enjoyed hearing and learning about more BRAC job opportunities and other government opportunities
- A little more time to present our company.
- From my perspective, more SB construction companies.
- "Round table" networking and facilitators were great, but perhaps allow for "large" firms to circulate as well in a similar manner.
- None
- Absolutely nothing.
- Knowledge of types of firms coming – in advance.
- Expansion of participants.
- Great energy and people. Large event – don't get too big.

**What, if any, suggestions do you have for future Showcase events?**

- More of the same. Maybe more "buyers" from the construction industry.
- Have more.
- Closer to SWVA.
- VA (fed) rep to give a presentation.
- All good!
- None.
- None at the moment.
- A/E Showcase in Hampton Roads to include Navy spending – another sizeable market.
- Thumb drive w/ sponsors logo w/ lots of collateral materials on it not just presentations but pdfs etc. Also sponsor videos etc. Contact list in vCard format or word list.
- RE: BRACE – Showcase w/ mil. persons & depts. involved.

**Additional Comments:**

- Great job!
- Thank you so much. I have never attended an event where folks were so willing to share info.
- Rep from Small Bus Admin to give presentation.
- Enjoyed the afternoon; first one we have attended and didn't know what to expect.
- Re: the "disagree" above (under "the information I received...") – I found out about the event third hand and fairly late – so now that I know about it and can research it this will likely change to "agree"
- It was great! Good discussions w/ peer group.
- Great format, enjoyed the round table discussions.
- Well organized and run event!
- Very much appreciate the last-minute rush to include us as a presenter and participant.
- Great forum!
- Great Showcase. Look forward to attending more that would align more specifically with my business unit.
- Keep motivation to add more Showcase events and expand locations throughout VA.
- Thank you for the opportunities.
- Thank you.
- Great job! Thanks, always a pleasure.
